## WHAT IS TO COME NEXT YEAR

### Introducing "Focus On You"

"Focus On You", a professional development opportunity designed to empower students at the James E. Foy Information Desk. This initiative will provide students with invaluable tools to grow and refine essential skills that prepare them for the workforce. Through mentorship, skill-building sessions, and hands-on experiences, "Focus On You" will serve as a stepping stone for students to excel beyond the James E. Foy Information Desk.

We can't wait to embark on this journey and support the next generation of leaders at Auburn!
