Greek Life Community Report | 2025-26

GREEK LIFE

THE YEAR IN REVIEW

Since its establishment at Auburn in 1878, the Greek Community has instilled values of academic excellence, philanthropy, and servant leadership in thousands of sorority women and fraternity men. Today, over 10,000 students – 37% of the undergraduate student body – belong to one of Auburn’s Greek organizations. This report provides an overview of each council and highlights key data for each chapter.

YEAR IN REVIEW

1

The **PANHELLENIC COUNCIL** hosted another record-breaking primary recruitment with 2,352 potential new members registered, the highest in council history.

The **NATIONAL PAN-HELLENIC COUNCIL** (NPHC) hosted its signature annual event, Tiger Stomp, in October in partnership with the Black Student Union. With over 300 students, faculty, staff, and alumni attending, the step show is the council's most prominent social event and featured five step teams. This year, Auburn's Kappa Chi chapter of Alpha Kappa Alpha Sorority, Inc. took home first place.

The **INTERFRATERNITY COUNCIL** (IFC) held its first IFC serve day, with more than 30 members gathering to collect trash off of Lem Morrison Ave.

During the fall and spring semesters, **GREEK LIFE** oversaw an average of 66 events per week, with approximately nine events occurring each day.

NPHC held its first-ever Stroll Fest event on the first day of classes in August with over 100 students in attendance.

1 ORDER OF OMEGA and RHO LAMBDA welcomed 595 students into their Greek honor societies during the Spring and Fall semesters across all council affiliations.

IFC welcomed Delta Sigma Phi back to the council in August.

PANHELLENIC raised over \$2,000 during their annual Circle of Sisterhood Week, benefitting women's education initiatives worldwide.

2

IFC hosted its annual Batting Practice with Butch Thompson event, a home-run derby-style competition in partnership with Auburn Athletics. This year's event raised a record-breaking \$7,535 for the Hudson Family Foundation.

2 The GREEK PROGRAMMING BOARD (GPB) hosted National Hazing Prevention Week (NHPW) in September, promoting the university's new hazing prevention initiative, Protect the Plains. With events throughout the week, over 500 students were engaged in NHPW programming.

3

Through the annual Greek Sing event held in April, **PANHELLENIC** raised over \$170,000 for the Auburn-Opelika Habitat for Humanity. The event proceeds will go toward building houses in our community.

3 In October, PANHELLENIC, NPHC, IFC, ORDER OF OMEGA, and RHO LAMBDA joined together to host Trunk-or-Treat for Auburn's Best Buddies program and their members.

GREEK LIFE unveiled a new named award, the Anna Funderburk Buckner Executive Leadership Award, for the 2025 Greek Excellence Awards. Established through an endowment from the Alpha Beta chapter of Chi Omega, the award recognizes exceptional executive leadership and sustained service within Auburn's Greek community.

The **IFC** Executive Board established the Sue Walker Outstanding Membership Scholarship, which awards fraternity men who have demonstrated exceptional leadership, character, and commitment to their organizations and community.

GREEK Excellence AWARDS

Auburn University Greek Life values scholarship, community, service, and philanthropy within our organizations. The Greek Excellence Awards recognize outstanding chapters, individual student leaders, and advisors for exemplifying these values. On February 17, 2026, the Greek community gathered for a reception to celebrate these accomplishments.

UNDERSTANDING THE DATA

This report is patterned after the national Fraternity and Sorority Scorecard created by the Timothy J. Piazza Center for Fraternity and Sorority Research and Reform. The National Fraternity and Sorority Scorecard aggregates data across member institutions to better understand how councils and chapters perform on key indicators. The scorecard gives institutions and national organizations the information they need to benchmark their local chapters against the national landscape.

Auburn University is a participating member of the National Fraternity and Sorority Scorecard. This scorecard is created twice a year during the fall and spring semesters. Due to data collection, the scorecard is distributed in the following fall or spring semester.

Membership

Membership rosters are submitted by each chapter to Greek Life every semester. The rosters are verified to be Auburn University students.

Academics

All academic information is calculated by the Auburn University Office of Institutional Research using the membership rosters provided by the chapters.

For organizations with three or fewer new members, the reported new member grade point average is not reported and is shown as “****” to ensure confidentiality in the community regarding student grades. The individual chapter receives the comprehensive grade reports.

Conduct

If a chapter is found responsible for violating university policies, a checkmark appears under the type of violation – alcohol, hazing, or other. The checkmark indicates the organization has been found responsible for violations through the Code of Student Conduct or the Interfraternity Council judicial process. Please note that this report lists organizational misconduct and not individual misconduct.

Definitions for types of violations are:

- Alcohol – Any violation that includes the misuse or distribution of alcohol.
- Hazing – Any hazing violation as defined by the Auburn University Hazing Policy.
- Other – Any other violations, including trespassing, fire/life safety, etc.

Fraternities and Sororities suspended from Auburn University during the reported semester will appear in this report but will be listed with an asterisk to indicate that they are no longer in good standing with the university. All fraternities and sororities must comply with the Greek Life Expansion Policy and any governing council policies to return to campus. Organizations are not guaranteed automatic approval to return after a suspension.

Service and Philanthropy

Philanthropic dollars and service hours are self-reported by each chapter. The data reported corresponds with data provided to the organization’s headquarters.

Not all organizations submitted complete information. The symbols below reflect each organization’s response:

- Dash (-) – indicates the number zero (0) was submitted.
- No Submission (NS) – indicates no information was submitted on the chapter’s behalf.
